UOW Wollongong Campus

Acknowledgement of Country

We Acknowledge that Country for Aboriginal peoples is an interconnected set of ancient and sophisticated relationships.

The University of Wollongong spreads across many interrelated Aboriginal Countries that are bound by this sacred landscape, and intimate relationship with that landscape since creation.

From Sydney to the Southern Highlands, to the South Coast.

From fresh water to bitter water to salt.

From City to Urban to Rural.

The University of Wollongong Acknowledges the Custodianship of the Aboriginal peoples of this place and space that has kept alive the relationships between all living things.

The University Acknowledges the devastating impact of colonisation on our campuses' footprint and commit ourselves to truth-telling, healing and education.

Message from the Executive Dean, Senior Professor Gursel Alici

Dear Students,

It is with great pleasure that we present this prize booklet, a celebration of your exceptional achievements, relentless pursuit of knowledge, and extraordinary talent. Within these pages, we recognise your remarkable accomplishments and pay tribute to the contributions you have made within the fields of engineering and information sciences.

Within these pages, you will find a tapestry of accomplishments that reflect your brilliance, creativity, and the transformative power of education. From coding intricate algorithms to designing sustainable structures, your work has the potential to shape industries, transform communities, and improve the lives of people around the world.

This booklet stands as a testament to your countless hours of hard work, dedication, and passion for your studies, research projects, and collaborative endeavours. It is a testament to your unwavering commitment to excellence and your relentless pursuit of innovation. From ground-breaking research to innovative designs, you and your peers have left an indelible mark on the world of engineering and information sciences, leaving a legacy for future generations to build upon. It is a reminder that together, through collaboration we can overcome challenges, embrace diversity of thought, and create innovative solutions that address the complex problems of our time.

We thank our industry and academic sponsors, including your wonderful families, who have supported you in your journey. Without the generosity and ongoing support of our academic community and sponsors, these prizes would not have been possible.

To our faculty members both academic and non-academic staff, we express our deepest gratitude for your unwavering support, guidance, and mentorship. Your expertise, passion, and dedication have been instrumental in shaping the minds of our students, fostering an environment of growth, and instilling in them a love of knowledge and innovation.

Congratulations once again, and may your endeavours inspire generations to come.

A handwritten signature in black ink, appearing to read 'Gursel Alici'. The signature is fluid and cursive, with a large initial 'G'.

Engineers Australia

Engineers Australia (ISRG) Award 1

Sponsored by Engineers Australia

Awarded to the student who achieves the highest weighted average mark for the completion of a Bachelor of Engineering degree.

Luke Mariani

Engineers Australia (ISRG) Award 2

Sponsored by Engineers Australia

Awarded to the student who achieves the second highest weighted average mark for the completion of a Bachelor of Engineering degree.

Le Quynh Trang Ngo

School of Mathematics and Applied Statistics Awards

Finocomp Prize

Sponsored by Finocomp

Awarded to the student who achieves the best performance in STAT301.

David Barranquero

Scalapay Set-Maxima Award

Sponsored by Scalapay

Awarded to the student with the best performance in the Data Science and Analytics degree.

David Barranquero

The Scalapay Hypatia Prize

Sponsored by Scalapay

Awarded to a first year female student with the best performance in a Mathematics and Applied Statistics degree.

Naomi Reed

Outstanding Performance by a First Year Student

Awarded to a first year student with the best performance in a Mathematics and Applied Statistics degree.

Tan Ngoc Nguyen

The Applied Probability Trust Prize

Awarded to the student with the best performance in 200 level mathematics subjects.

Naomi Reed

The Austin Keane Memorial Prize

Awarded to the student with the best performance in MATH401 or equivalent in Mathematics Honours.

Jamie Bell

The Broadbridge Prize for MATH212

Sponsored by Professor Philip Broadbridge

Awarded to the student with the best performance in MATH212 Mathematical Modelling.

Umar Babu

Tan Ngoc Nguyen

The Grant Cox Scholarship for Aspiring Mathematicians

Awarded to a student enrolled in their first year of BMath, BMath(Adv), BMathFin or any Mathematics double degree. Applicants must originate from a rural, regional or remote area and be relocating.

Craig Dakyns

The R.A Fisher Prize

Awarded to the student with the best performance in 200 level statistics subjects.

Samuel Noakes

S.A Senior Prize

Awarded to the student with the best performance in four 300 level Mathematics subjects.

Joshua Johansson

The William Sealy Gosset Prize

Awarded to the student with the best performance in 300 level Statistics subjects.

David Barranquero

Tibra Capital Prize for Bachelor of Mathematics and Finance

Sponsored by Tibra

Awarded to the student with the best performance in the Bachelor of Mathematics and Finance degree.

Tianze Wei

Tibra Capital Prize for Double Degree BMath/BCompSc

Sponsored by Tibra

Awarded to the student with the best performance in the double degree Bachelor of Mathematics/Bachelor of Computer Science.

Ethan Skinner

Tibra Capital Prize for Financial Calculus

Sponsored by Tibra

Awarded to the student with the best performance in MATH317 Financial Calculus.

Luke Mariani

Tibra Capital Prize for Numerical Methods in Finance

Sponsored by Tibra

Awarded to the student with the best performance in MATH942 Numerical Methods in Finance (or equivalent subject) during the calendar year.

Michael Kaminski

School of Physics Awards

Australian Institute of Physics NSW Best Graduating Student Prize

Sponsored by the Australian Institute of Physics (AIP)

Awarded to the student with the best overall performance in an undergraduate Physics degree (including Honours).

Sean Hood

CMRP Undergraduate Prize

Sponsored by the Centre for Medical Radiation Physics

Awarded to the student with the best performance in 3rd year Bachelor of Medical Radiation Physics or Bachelor of Medical Radiation Physics Advanced.

Vincent De Rover

Kittel-Lewis Prize

Sponsored by Professor Roger Lewis

Awarded to the student with the best performance in PHYS476 Solid State Physics or in the Solid State Physics component of PHYS405.

Simone Cunzolo

Liam Urquhart

Peter Fisher Prize

Sponsored by Kimberley Glissan

Awarded to the student with the best performance in PHYS215 Vibrations, Waves and Optics.

Matthew Roberts

Moore Nulsen Zealey Astronomy / Astrophysics Prize

Awarded to the student with the best performance in PHYS295 Astronomy Concepts of the Universe.

Ewan Auld

Luke Mariani

Physics Double Degree Prize

Awarded to the student with the best performance in a Physics double degree.

Jacob Wright

Physics Discipline 1st Year Prize

Awarded to the student with the best performance in 1st year of a Physics degree.

Mackenzie Purtil-Wright

Physics Discipline 2nd Year Prize

Awarded to the student with the best performance in 2nd year of a Physics degree.

Matthew Roberts

Physics Discipline 3rd Year Prize

Awarded to the student with the best performance in 3rd year of a Physics degree.

Dan Osgood

Physics Discipline 4th Year Prize

Awarded to the student with the best performance in 4th year of a Physics degree.

Sean Hood

Terahertz Physics Prize

Awarded to the student with the best performance in a research project involving Terahertz Physics.

Juliana Avtarovski

School of Computing and Information Technology Awards

Scalapay Bright Spärk Award

Sponsored by Scalapay

Awarded to the female student with the best performance in 1st year SCIT subjects.

Deena Loukadellis

Most Promising Computing Professional Industry Prize

Sponsored by School of Computing & Information Technology Advisory Committee

Awarded to the student with the best performance across a portfolio of SCIT subjects and activities.

Ivan Wei Xuan Thew

Objective Prize for Excellence in Business Process Management

Sponsored by Objective

Awarded to the student with the best performance in ISIT332 Business Process Management.

Wing Yan Lau

Saya Matsui

Karla Vanessa Monteros Cardenas

Huseyin Burak Turfanda

Objective Prize for Excellence in Human Computer Interaction

Sponsored by Objective

Awarded to the student with the best performance in CSIT226 Human Computer Interaction.

Jade Harris

Objective Prize for Excellence in Object Oriented Design & Programming

Sponsored by Objective

Awarded to the student with the best performance in CSIT121 Object Orientated Design & Programming.

Lei Xie

Objective Prize for Excellence in Programming

Sponsored by Objective

Awarded to the student with the best performance in CSCI251 Advanced Programming.

Zay Ye Htut

Objective Prize for Excellence in System Security

Sponsored by Objective

Awarded to the student with the best performance in CSCI262 System Security.

Hayden Welsh

Outstanding Achievement in CSIT115 Data Management and Security

Sponsored by Dr Janusz Getta

Awarded to the student with the best performance in CSIT115 Data Management & Security.

Jade Harris

Outstanding Achievement in CSCI317 Database Performance Tuning

Sponsored by Dr Janusz Getta

Awarded to the student with the best performance in CSCI317 Database Performance Tuning.

David Barranquero

Outstanding Achievement in CSCI322 Systems Administration

Sponsored by Dr Janusz Getta

Awarded to the student with the best performance in CSCI322 Systems Administration.

Sean Overton

Prize for Excellence in Algorithms & Data Structures

Awarded to the student with the best performance in CSCI203 Algorithms & Data Structures.

Jemma Anne Shepherd

Anh Quan Tran

Prize for Excellence in Database Systems

Awarded to the student with the best performance in CSCI235 Database Systems.

Huanfu Zhang

Prize for Excellence in Ethical Hacking

Awarded to the student with the best performance in CSCI369 Ethical Hacking.

Markus Keil

Richard Miller Prize

Awarded to the student with an outstanding academic record for 3rd year F/T BCompSc.

Anh Quan Tran

Computing and IT Discipline 1st Year Prize

Awarded to the student with the best performance in 1st year subjects.

Joshua Star

Computing and IT Discipline 2nd Year Prize

Awarded to the student with the best performance in 2nd year subjects.

Brendon Kortekaas

Computing and IT Discipline 3rd Year Prize

Awarded to the student with the best performance in 3rd year subjects.

Jack Nicholas Zahra

Ross Nealon Prize

Sponsored by the Family of Ross Nealon

Awarded to the student with an outstanding academic record for 2nd year F/T BCompSc.

Brendon Kortekaas

School of Civil, Mining, Environmental and Architectural Engineering Awards

Civil Engineering Awards

Australian Steel Institute Undergraduate Steel Design Award

Sponsored by Steel Reinforcement Institute of Australia

Awarded to the student with the best work in structural steel design.

Nicholas Lord

Steel Reinforcement Institute of Australia Prize

Sponsored by Steel Reinforcement Institute of Australia

Awarded to the student with the best performance in CIVL314 Structures Design 2.

John Kenny

The Matthew Thomas Biasutti Memorial Prize

Sponsored by Stantec

Awarded to the student with the best performance in CIVL245 Construction Materials.

Jake Newcombe

Best Overall Performance in Master of Engineering course - Civil Engineering

Awarded to the student with the best performance awarded in Civil Engineering program during the calendar year.

Devika Lakshmi Vinoba Chandrasekhara Kartha

Professor Lewis C Schmidt Memorial Prize

Awarded to the student with the best performance in CIVL352 Structures 1.

Kyle Hasler

Civil Engineering Discipline 1st Year Prize

Awarded to the student with the best performance in 1st year Civil Engineering.

Minh Phuc Nguyen

Civil Engineering Discipline 2nd Year Prize

Awarded to the student with the best performance in 2nd year Civil Engineering.

Jake Newcombe

Civil Engineering Discipline 3rd Year Prize

Awarded to the student with the best performance in 3rd year Civil Engineering.

Ahsan Bin Anees

Civil Engineering Discipline 4th Year Prize

Awarded to the student with the best performance in 4th year Civil Engineering.

Connor Baldwin

Mining Engineering Prizes

Con Martin Memorial Prize

Sponsored by AusIMM (Illawarra Branch)

Awarded to the student with the best performance in their fourth year Bachelor of Engineering Mining Program.

Kieren Russell

Gary A Gibson Mining Thesis Prize

Sponsored by AusIMM (Illawarra Branch)

Awarded to the student for the most outstanding and innovative research performance in CMEA498/499.

Kieren Russell

Elizabeth Tague Prize

Awarded to the student with the best performance in CMEA444 Multidisciplinary Engineering Design.

Michael Kemp

Mining Engineering Discipline 1st Year Prize

Awarded to the student with the best performance in 1st year Mining Engineering subjects.

Nathan Robinson

Mining Engineering Discipline 2nd Year Prize

Awarded to the student with the best performance in 2nd year Mining Engineering subjects.

Zack Oswald

Mining Engineering Discipline 3rd Year Prize

Awarded to the student with the best performance in 3rd year Mining Engineering subjects.

Kayleb Byrnes

Mining Engineering Discipline 4th Year Prize

Awarded to the student with the best performance in 4th year Mining Engineering subjects.

Kieren Russell

Environmental Engineering Awards

AUSIMM Environmental Engineering Prize

Sponsored by AusIMM (Illawarra Branch)

Awarded to the student with the best performance in ENVE410 Site Remediation.

Naomi Kostoski

Stantec Prize for Sustainable Design

Sponsored by Stantec

Awarded to the students with the best performance in ENVE320 Environmental Engineering Design.

Naomi Kostoski

Samuel Napier

IACRR Prize for Water Quality Engineering

Sponsored by the International Association for Coastal Reservoir Research

Awarded to the student with the best performance in ENVE220 Water Quality Engineering.

Georgia O'Neill

IACRR Prize for Water Resources Engineering

Sponsored by the International Association for Coastal Reservoir Research

Awarded to the student with the best performance in ENVE420 Water Resources Engineering.

Kyle Hasler

Environmental Engineering Discipline 1st Year Prize

Awarded to the student with the best performance in 1st year Environmental Engineering subjects.

Mariam Ali

Environmental Engineering Discipline 2nd Year Prize

Awarded to the student with the best performance in 2nd year Environmental Engineering subjects.

Anne Alards

Environmental Engineering Discipline 3rd Year Prize

Awarded to the student with the best performance in 3rd year Environmental Engineering subjects.

Naomi Kostoski

Environmental Engineering Discipline 4th Year Prize

Awarded to the student with the best performance in 4th year Environmental Engineering subjects.

Tran Thuy Nga Nguyen

Architectural Engineering Awards

Architectural Engineering Discipline 1st Year Prize

Awarded to the student with the best performance in 1st year Architectural Engineering subjects.

Lauren Sanders

Architectural Engineering Discipline 2nd Year Prize

Awarded to the student with the best performance in 2nd year Architectural Engineering subjects.

Victoria Clark

Architectural Engineering Discipline 3rd Year Prize

Awarded to the student with the best performance in 3rd year Architectural Engineering subjects.

Jeremy Jones

Architectural Engineering Discipline 4th Year Prize

Awarded to the student with the best performance in 4th year Architectural Engineering subjects.

Jordan Janos

School of Electrical, Computer and Telecommunications Engineering Awards

Australian Power Quality and Reliability Centre Prize

Sponsored by the University of Wollongong's Australian Power Quality & Reliability Centre

Awarded to the student with the best performance in ECTE323 Power Engineering 2.

Xiuchen Han

BlueScope Prize

Sponsored by BlueScope

Awarded to the members of the team with the high average mark in the subject ECTE250 Engineering Design and Management.

BlueScope Women in Engineering Thesis Prize

Sponsored by BlueScope

Awarded to the top female student with the best performance in either final year thesis subject ECTE458, ENGG452 or ENGG453.

Rebecca Eager

ECTE498/99 Thesis Best Seminar Prize - 1st Prize

Awarded to the student with the best seminar in ECTE498/499 Thesis First Prize.

Rebecca Eager

ECTE498/499 Thesis Best Seminar Prize - 2nd Prize

Awarded to the student with the best seminar in ECTE498/499 Thesis Second Prize.

Ben Lewis

ECTE498/499 Thesis Best Seminar Prize - 3rd Prize

Awarded to the student with the best seminar in ECTE498/499 Thesis Third Prize.

Lord Thabet

Frank J Paoloni Electronics Prize

Awarded to the student with the best performance in ECTE212 Electronics.

Edward Arnall

School of Mechanical, Materials, Mechatronic and Biomedical Engineering

BlueScope Engineering for Sustainability Prize

Sponsored by BlueScope

Awarded to the top female students with the best performance in ENGG105 Design for Sustainability.

Ashtyn Martin

Lily Nicoll

BlueScope Women in Engineering Thesis Prize

Sponsored by BlueScope

Awarded to the top female student with the best performance in either final year thesis subject ECTE458, ENGG452 or ENGG453.

Cove Engineering Prize

Sponsored by Cove Engineering

Awarded to the student with the best performance in MECH372 Solids Handling and Process Engineering.

Chisholm Brock

Sam Marshall Prize

Awarded to the student with the best performance in final year thesis.

Brendan Coetzer

Mechanical Engineering - Oral Presentation Prize

Awarded to the student with the best oral presentation of final year thesis.

Brendan Coetzer

Mechanical Engineering Discipline 1st Year Prize

Awarded to the student with the best performance in 1st year Mechanical Engineering subjects.

Christopher Sink

Mechanical Engineering Discipline 2nd Year Prize

Awarded to the student with the best performance in 2nd year Mechanical Engineering subjects.

Jade Briggs

Mechanical Engineering Discipline 3rd Year Prize

Awarded to the student with the best performance in 3rd year Mechanical Engineering subjects.

Mark Struber

Mechanical Engineering Discipline 4th Year Prize

Awarded to the student with the best performance in 4th year Mechanical Engineering subjects.

Luella Rodin

Club Liverpool Community Scholarship

Awarded to a student studying at the UOW Liverpool Campus who has shown significant contributions to the Liverpool LGA. This scholarship has been established by Club Liverpool/ John Edmondson VC Memorial Club.

Ved Lomber

Emilia Podetti

De Dominicis Foundation Opportunity Scholarship for STEM Students

Awarded to a first year STEM student who shows significant passion and commitment to STEM.

Clive Wales

Huon Contractors Civil Engineering Work Integrated Learning Scholarship

Awarded to a second year Bachelor of Engineering (Civil Engineering) student over a two year period with a work experience component.

Samuel Ciguenza

John, Belle & Richard Miller, Bridgewater Scholarships for Opportunity

Awarded to an incoming student studying any degree at UOW who have shown significant involvement in their community. This scholarship was established to acknowledge the long-standing connection of John, Belle & Richard Miller's family to the Illawarra Region.

Maddison McCormick

Meripa Teo

Clive Wales

Kerrie-Anne and Joan Adams Scholarship for Women in Engineering

Awarded to a first year female Bachelor of Engineering student as an encouragement for women to study non-traditional fields of study. This scholarship was established by Kerrie-Anne who is a UOW Alumni who was on scholarship as a student and wants to give back.

Georgina Coddington

Motion Asia Pacific Community Scholarship

Awarded to first year Bachelor of Engineering (Mechanical, Mechatronic or Electrical) students from rural or regional areas to support them for the duration of their degree.

Joshua Weakley

Motion Asia Pacific Work Integrated Learning Scholarship in Engineering

Awarded to a 3rd, 4th or 5th year Bachelor of Engineering (Electrical, Mechatronic or Mechanical) student and seeks to provide them financial assistance as well as real work practical experience.

Thomas Holliday

Callum Peattie

Risland Community Scholarship

Awarded to a Bachelor of Engineering student from the Macarthur Region that shows dedication to the Engineering sector who hopes to improve the lives of those in their community.

Bailey Morris

South32 David Crawford Scholarship

Awarded to a talented 3rd year mining, electrical or mechanical engineering student and provides opportunity for work placement which teaches them practical skills.

Nicholas O'Neill

The Dearden Family Transforming Futures Scholarship

Awarded to an outstanding STEM student who has shown passion for completing their studies at the University of Wollongong.

Elsa Cusack

The Do Your Thing Scholarship for Female Developers

Awarded to a female student enrolled in a Bachelor of Computer Science, who is actively completing CSIT321 as a way to encourage females to work in computer science.

Amanda Moss

Tibra Foundation Scholarship in Mathematics

Awarded to a driven mathematics student from a rural or regional area. Scholars exhibit capability and drive for a career in mathematics, as well as demonstrating strength, grit and resilience.

Jonas Kew

Transforming Futures Scholarship

Awarded to an outstanding student who has shown passion for completing their studies at the University of Wollongong. This scholarship was made possible by community members, staff and UOW Alumni.

Cody Morgan

Meripa Teo

Clive Wales

UOW Alumni Bookshop Scholarship

Awarded to first or second year students who have demonstrated academic excellence and community engagement. This scholarship is funded through all books sold at the UOW Alumni Bookshop which is operated by a group of volunteers.
